Middle School Handbook
INTRODUCTION

Booleroo Centre District School is a Birth-Year 12 School, situated about 300km North of Adelaide in the Southern Flinders Ranges.

The school consists of approximately 230 students, with 6 school buses transporting students from surrounding districts and towns including Melrose, Wilmington and Wirrabara.

The school motto is ‘Strive to Excel’ and the four school values are Respect, Responsibility, Resilience and Integrity.

BCDS has a proud academic, sporting and agricultural history and we are sure that your child will enjoy their time at our school.

ABSENCES

Students require a note for all absences. Parents may choose to write this in their child’s diary or phone the school on 86672124. Teachers appreciate notes the next day following an absence. If it is a planned absence, a note in advance would be suitable.
For absences of 3 days or more a Doctor’s Certificate will be required, and for family holidays or extended absences, an exemption form needs to be completed and signed by the Principal. These forms can be collected from the front office.

ALLERGIES

Some students have severe allergies to a range of foods, bee stings etc. Information regarding allergies must be provided to the front office staff and teachers. A medical pack will be kept in the front office at all times.

Students are strongly advised to avoid bringing the following foods to school, as some students may have allergies to them:

- Foods containing nuts (or traces of nuts)
- Sesame seeds

Spray aerosols such as deodorants are banned due to asthmatic reactions.

BAKERY

The Booleroo Centre Bakery provides a service to the school where students are able to order their lunch. Students can submit their order and payment prior to 9am in the boxes provided, and their lunch will be delivered to the school. Alternatively, students in Years 7-12 are able to have a bakery card. This card is signed by parents, giving students permission to walk to the bakery at the beginning of recess or lunch. Students must sign out at the front office when leaving and sign back in upon their return. Price lists are advertised in the school newsletter and can also be collected from the bakery.

BCDS SWIMMING & ATHLETICS CARNIVALS

The BCDS Swimming and Athletics Carnivals are both held during term 1. Students are allocated a house – Dunstan or Rogers. House Captains and Leaders are selected by students to help with the organisation of events.

BEHAVIOUR MANAGEMENT

All teachers carry a behaviour management book to record any major behaviour breaches in. Teachers may choose to fill out a behaviour management slip if there is an incident in the classroom or yard that is inappropriate interferes with the rights of others or displays violence or bullying. If a student is issued with a behaviour slip, a copy will be placed in their diary for parents to sign. The incident information will also be electronically recorded into student records. Patterns of repeated unacceptable behaviour may impact on student involvement in school activities.

A time out area is located in the front office near the Principal and Senior Leaders’ offices.

school yard to the bike shed, where they will remain until the end of the school day.

**BUSES**

The school has an Education Department fleet of 5 buses, plus an additional bus, which is privately owned and contracted.

A bus timetable showing morning and afternoon pickup and drop off times is provided at the start of each year.

Passengers – Where there is room on a bus, the following are eligible to be passengers:

- Children from Preschool
- Students who may wish to travel on a bus other than their normal bus, or those who do not travel on a bus (24 hours’ notice required before travel)

At times, students may need to travel on another school bus from their usual one. Providing there are spare seats, parents must request permission in a signed note. The principal must sign this note before the bus driver will allow the student onto the bus. Students are not able to travel on another bus in order to attend sports training.

Bus Rules: The safety and welfare of students is the responsibility of the school from the moment students get on the school bus in the morning to when they get off the bus in the afternoon. This responsibility is delegated to bus drivers. Rules have been developed in line with school rules.

Breaches to bus rules:

- If further problems, parents will be contacted and an interview will take place with the principal, parent and student
- Suspension from bus travel for a period of time
